

Guidance Notes for Families Together Programme (FTP) - Sandwell

- (1) Before completing this referral please ensure the family being referred are aware that the FTP does not support families in their own home.
- (2) The support is delivered through Men's & Women's sessions which partners will attend separately; giving them the opportunity to work individually on their goals, making positive change which is aimed at ultimately benefiting their whole family.
- (3) Family Action understand that the community living within Sandwell are diverse and English may not be their first language. Unfortunately the FTP is only suitable to those families who are able to communicate and write English at basic level as we cannot accommodate for interpreters when group support is delivered.
- (4) Please ensure all parties referred are fully aware of what the programme entails (*please refer to the service leaflet*).
- (5) This programme is only suitable for domestic violence/abuse which is considered low level or if there has been one incident of abuse.
- (6) It is the responsibility of the referring officer to inform the FTP of any changes to circumstances regarding the family; including any safeguarding concerns.

Criteria

- (1) We will work with individuals or couples but they must be willing and committed to engage in all sessions of the programme.
- (2) This is a preventative programme and not suitable for high-risk families.
- (3) This programme is not suitable for people whose primary need is alcohol/drug misuse.
- (4) We cannot support those with recent high risk criminal conviction or who may be deemed to pose a risk to staff and others.
